## Chapter 1 by fisi

i was wachman of the central mortury, i have no friend, and my biggest enemy is cartoons, i sleep day time when the people wake up and am alive,.....A.K.A aluta.

## Chapter 2 by fisi

and when the people go to sleep as usual, am in duty, i like to call it "aluta", one day when i was in mortuary at midnight with only corses, the postmortem dr left knife near a one copse and the knife fell itself!. why it fall?, i dont know!

i look to all corses their sleep but one copse, he doesn't have cover on his body, does this corses normal? or somebody forget to cover him? i ask myself.

whoow! another knife hit to the center of my door as if somebody play darts.....

i didn't care but i continue to read my book, deadman walking!

## Chapter 3 by fisi

on the street people has discuss me a lot, and when i invite neighbour for my birthday party which also is in halloween they can celebrate together with haloween, they didn't come, they were fear that my accent is like people from papua, and they have a good reputation of eating flesh, am now civilize come people, i even change my deep freezer, i brought small fridge, on last halloween at my last birthday, 29 feb,

also, last day i received a lot of letters, one is written by young girl call herself, stay away from me blood sucker! she accuse me i eat her underwear! where she left on a public laundry, where she saw me using the same machine as her.

and another letter is from a man, he ask me for life and scissors, i brought from his shop, and as far as i can remember i eat receipt soon i left a shop, its remedy for

cannibalism.....that why these days i recovered mr shop keeper , i respond to his letter, the other day,  
and one letter from a fiance of my sychartristy Dr ,she told me ,am recovered from the appetite of eating human flesh and don't use a pills again ,until we return from our honey moon,in a zombie land  
now, am now nearly the end of book am reading, deadman walking !and there are other book still waiting, midnight of living dead! , neighbors mature daughter s! and scream !  
and i will finish when i go to the mortuary to my shift which starting today at midnight,  
i heard from radio now the business of casket is is now booming, this tell me mortuary that am working in is in full throttle ,i cant wait ,i said to my self

#### Chapter 4 by fisi

and when i enter to the mortuary ,i was bit late for 15 minute ,so nobody was their just silence ,i was let because ,one female police women was trying to challenge me by asking

"where are you going ?" am going job , i said

"what kind of job in these midnight" , shift , i shortly respond.

can i see your ID plz ,sure, i said.

and she was return it without saying anything, she then show me the way by pointing the road as if she speak with deaf ,and i remind her we are both midnight time, goodbye!

and when i nearly reach to the mortuary, big windy rain started with bright light thunderstorm, and shocking sound, some of big tree branch cut off and falling at the middle of the road, and road was also dark as result of huge wind that cut off electricity wire,and the wire moving like snake on the ground ,very scary !, i also, see dogs, cows and even human body on the ground ,they has been electrocuted, am very sorry ! i speak to myself.

self this electricity because ,the administration which are working under them ,they are in holiday at makundusinsima island and the bill never been paid since ,

but i decided to call them in anyway, one technician has come , and when he reach ,he thinking he was in hospital ,where is fuse box ? ,he ask ? confidently

because ward is in dime light fashion ,i show him, its in the end of the cospes beds ,

why there so much silence here, are the patient slept,because of darkness ? i say, yes anyway, don't leave me alone !otherwise i will wake them up !he remind me.

it tell him they all slept

suddenly , the bell rang , i leave him ,and i went to the main door to receive other bodies,three knife where passing me like bullet vuuu vuu ,going to the end of mortuary ward , where technician was , i decided to return using only light that i pick from home by cycle, it also do disco light too, what er mess day but for me is fun, although, am little bit disappointed for not reading my book ,the deadman walking ,

and when i go back i found the technician was very horrified and trembling while he has been surrounded by three shape knife and both three knife ,are on the air,as if to tell him don't do anything ,stay where youre,or it will stab you , this is what i was thinking at that moment, and he was stuck like robot,

i didn't know what to say or what to do !

mortuary it was like house of disco of nineteen 40s ,because of ww2 music sang from german amy,and the bell was keep ringing loudly so i went to pick more body and when i try to put those bodies to the fridge , i found three body was missing ,and when i look on the description form attached to those fedge where those bodies missing,

i was shocked by the noise of cat ,while her mouth is full of blood, i expel that cat,and close the big window and i was looking for the discription of those fredge

and when i rang the dr his wife told me ,my husband is missing ,

so,when i went to read another missing body description ,was young teenager ,it seems she was burnt to death and removed her both eyes

the third one was baby with still an axe in her brain ,and according to the picture the baby laughing,

i need to call police.....

and for the first time i stop my feverable music, and when i went to the technician ,he still in sweat and he decided to site down ,i told all the story and i tell him those knife was from the people who stole this bodies i dont know !

techy he decided to leave after noticing this mortuary not hospital and the patient slept ,is not patient but dead bodies.....

terrible ! he said when he left , while he didn't fix anything while light still deam lighting, and silence

and police respond with call ,there is insufficient of police wright now until morning, and also the road coming to mortuary als o blocked

and pitch dark,

i decided to continue reading the final chapter of deadman walking by deam light while am waiting police

another phone ring, can you plz return my underwear ! from my neighbour, ! i decided to cut off

another phone rang including door See more of Story Wars
